## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-8, 10-22 and 24-28 are allowed.

The following is an examiner's statement of reasons for allowance:

The reference (s) of record do not teach or suggest, either singularly or in combination at least the limitation of "a first conductive type submount having a first surface and a second surface; a first ohmic contact layer disposed on a portion of the first surface of the first conductive submount; a second ohmic contact layer disposed on the second surface of the first conductive type submount; and a Schottky contact layer deposited on another portion of the first surface of the first conductive type submount and directly connected with the first conductive type submount wherein the ohmic contact layer and the Schottky contact layer are electrically isolated" for claims 1 and 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
